

HOW

Encouraging cooperation and knowledge sharing between public buyers.

Discovering the most up-to-date innovative technological solutions and assisting in their development.

Linking and establishing synergies with research and innovation projects.

MISSION OF IMPACT

Raising interest and awareness about the PPI.

Dedicating training and guidance, exchange of best practices and capacity building.

ABOUT

BUILD project is a 2-year long Coordination and Support Action (1/10/2022 – 30/09/2024), funded by the Horizon Europe programme under Grant Agreement No. 101070745.

www.build-procurement.eu

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Innovation Council and SMEs Executive Agency. Neither the European Union nor the granting authority can be held responsible for them.

BUILD Project

Boosting the demand for innovative goods and services in Europe by promoting the use of public procurement of sustainable innovation and increasing capacities of cities in innovation procurement.
